SURENDAR

PUDUCHERRY,INDIA | (91+) 9994662232 | surendarboominathan@gmail.com | www.linkedin.com/in/surendar-b-295146171

As a computer science engineer with a master's in business administration, I am driven to bridge the gap between technology and business strategy. My goal is to leverage my technical expertise and business acumen to innovate and drive growth in a forward-thinking organization. I am passionate about developing scalable solutions and optimizing processes to achieve strategic objectives and enhance overall performance.

EDUCATION

Master in Business Administration | Pondicherry University
2023-2025

- GRADE :7.92/10

Bachelor in Technology | Sri Manakula Vinayagar Engineering College
2017-2021

- GRADE : First Class

EXPERIENCE

HR INTERN | EATON | PUDUCHERRY,INDIA
JUN 24 – AUG 24

During my internship at Eaton, I gained hands-on experience in various HR functions, including recruitment, employee onboarding, and performance management. I assisted in organizing training sessions, conducted initial candidate screenings, and supported the HR team in daily administrative tasks. This experience enhanced my understanding of HR processes and allowed me to develop strong communication and organizational skills.

SYSTEM ENGINEER | TCS | CHENNAI,INDIA
2021-2023

With over 2.5 years of experience at TCS, I have been involved in designing, implementing, and maintaining complex IT systems. My role encompassed troubleshooting technical issues, optimizing system performance, and ensuring seamless integration of new technologies. I collaborated with cross-functional teams to deliver high-quality solutions, contributing to several successful projects that enhanced operational efficiency and client satisfaction.
